Activity: 1.2 self assessment activities 0345-7032803 give any answer

Activity: 1.3 0345-7032803

1- what is the main goal of student centre learning

Ans. To make students responsible and independence 0345-7032803

2- In student Central learning the teacher

Ans- Helps and guides students during learning 0345-7032803

3- What is a common feature of a student centre classroom

Ans- Group discussion and debates 0345-7032803

4- Why it is important to display student work

Ans- To show students there efforts are valued 0345-7032803

5- How are students assessed in student Central learning

Ans- Through performance based tasks 0345-7032803

Activity- 1.3 Implementation of HOTS 0345-7032803

Q1: Which HOTS skill (analysis, evaluation, creation) do you want to emphasize more in your lessons and why? 0345-7032803

Activity 1.4 C

1. true	2. agree	3.true	4. agree	5. false
6. agree	7. true	8. disagree	9. false	10.disagree

Activity 1.5 B Reflective activity 0345-7032803

Activity 1.6 End of Module assessment

Q1 . Which one of these is not child Central learning teaching

Ans. Student reproduce what they teachers tell

Q2. Which of these ki involved depper thinking

Ans Higher order thinking skills

Q 3. In primary education lesson with horse which of these are hot based assessments

Ans . e option abd

Q 4 Which type of higher order thinking skills are being developed in student through the following activity

Ans D all of the above

Q 5 effective teaching involves

Ans. C option both hot and foundation skills

Q 6 are hot and foundation skill linked with each other?

Ans yes

Q 7 Which of the following indicates a classroom practicing hot?

Ans option E c and D

Q 8 Remembering is the key of skill select the correct option?

Ans foundation skills

Q 9 Understanding is the type of scale select the correct option

Ans foundation skills

Q 10. Analysing is the type of scales like the character option

Ans higher order thinking skills

Q 11. Applying the type of scale select the correct option

Ans higher order thinking skills

Q 12. Evaluating is a type of scale select the product option

Ans higher order thinking skills

Q 13. Creating is a type of scale select the correct option

Ans higher order thinking skills

Activity (B 1.6) End of Module assessment (Shuffling questions be careful)

1. Creativity 0345-7032803	Using imagination to find...
2. critical thinking 0345-7032803	Ability to question.
3. analytical thinking 0345-7032803	Breaking information....
4. Problem solving 0345-7032803	Identifying challenges...

Activity (1.6C) End of Module assessment (Shuffling questions be careful)

1. Remembering 0345-7032803	One 0345-7032803
2. Understanding 0345-7032803	Two 0345-7032803
3. Analyzing 0345-7032803	Four 0345-7032803
4. Applying 0345-7032803	Three 0345-7032803
5. Evaluating 0345-7032803	Five 0345-7032803
6. Creating 0345-7032803	Six 0345-7032803

Module 2 Critical thinking

Activity: 2.2 Reflective activity 0345-7032803 **give any answer**

Paste previous answers of module 1 words limit is 200 (it's a self writing)

Activity: 2.3 B Reflective activity 0345-7032803 **give any answer**

Paste previous answers of module 1 words limit is 200 (it's a self writing)

Activity: 2.4 B Reflective activity 0345-7032803 **give any answer**

Give any answer

Activity: 2.5 B Reflective activity 0345-7032803 **give any answer**

Paste previous answers of module 1 words limit is 200 (it's a self writing)

Activity: 2.5 c Quiz 0345-7032803 **give any answer**

Paste previous answers of module 1 words limit is 200 (it's a self writing)

Activity: 2.6 c End of Module assessment 0345-7032803 **give any answer**

Questions	Answers
1. Which of the following best...	b. Evaluating evidence 03457032803
2 which of the following is a sign.	b. they rely solely.. 03457032803
3.What is the potential.. 03457032803	a. Its may hinder students
4.Which characteristics would not..	B. a trendy to quickly03457032803
5. Why it is important to introduce.	b. To help students03457032803
6 . which of the following scenarios..	B encouraging students03457032803
7 what is the role of questioning	c. It help people to recognize
8.Which of the following is not an effective	b. requiring students to03457032803
9. which stategy can be most .	c. encouraging collaborative 03457032803
10. how can comparing and..	b. it help students to examine
Module 303457032803	
Activity 3.103457032803	
Question03457032803	answers03457032803
1 what type of teaching...	C ; direct instruction03457032803
2 which important step was missed	A ; giving students objects to explore
3 which skill did the teacher not..	D ; hands on explo0ration03457032803
4 how could the teacher improve...	A ;let the students touch the object
5 what questioning technique...	A; how does the object feel when
6 which method was missing	A ; active participation 03457032803
7 what kind of questions would promote..	B why do you think the sponge
8 why is it important for students to touch	A it helps them explore and think
9 which teaching approach was not used	A. inquiry based learning03457032803

10 how could the teacher encourage students	A by asking which object is..
Activity 3.3 03457032803	
Question	answers03457032803
1. What is the primary goal	B solving problem logically03457032803
2. Which of the following is not	C guess work 03457032803
3. How does analytical thinking benefit	B it improves 03457032803
4. Which activity best promotes	B encouraging group03457032803
5. What role does observation play in	B it helps student gather 03457032803
6. Why is encouraging teachers to model	D demonstrates how to approach
7. Which of the following is sign that	B the students asks question
Activity 3.3 03457032803 (be careful it's a shuffling activity)	
Question03457032803	answers
1 discuss and list the03457032803	Breaking information03457032803
2 choose a plant 03457032803	deciding03457032803
3 compare the pros and cons03457032803	brainstorming03457032803
4 find out what the garden03457032803	interpreting03457032803
Activity 3.5 self writing activity03457032803	
Paste the same data which was used in module 1 and 2 03457032803	
Activity 3.6 self writing activity03457032803	
Paste the same data which was used in module 1 and 203457032803	
Activity 3.6 teachers resources reflection	
Question	answers
1 which of the following best03457032803	B students brainstorming03457032803
2 in the traffic sign activity 03457032803	C surveying areas 03457032803
3 which method best promotes	C group decision after03457032803
4 In the friction experiment03457032803	C analytical 03457032803
5 which of the following is an example	B rolling the car on one 03457032803
6 while working on the traffic	C observing areas noting03457032803
Activity 3.7 b 03457032803	
Questions	Answers 03457032803
03457032803	1) Problem solving 03457032803
03457032803	2) Group discussion03457032803
03457032803	3) Real life example 03457032803
03457032803	4) brainstorming03457032803
03457032803	5) Critical thinking03457032803
03457032803	6) creativity03457032803
03457032803	7) reflection03457032803
03457032803	8) Visual aids 03457032803
03457032803	9) Decision making 03457032803
03457032803	10) Collaboration 03457032803
Activity 3.7 b end of module assessment	
Questions	Answers

1 what strategy did the03457032803	d. Hands on activity 03457032803
2 what strategy encouraged 03457032803	B creative thinking03457032803
3 when student proposed placing	A hands on activity 03457032803
4 the teacher helped students reflect	A hands on activity03457032803
5 the teacher helped students	B reflective thinking03457032803
6 what type of learning strategy	A experimental learning 03457032803
7 which analytical thinking skill	B Categorization 03457032803
Which approach reflects the teachers .	C collaborative learning 03457032803
Module No 4 03457032803	
Self assessment activity	Give any answer 03457032803
Activity 4.3 b 03457032803	Paste the same answer was used in module 1.2
Activity 4.3 d	Paste the answer was used in module 1.2
Activity 4.4 b	Paste the same answer was used in module 1.2
Activity 4.5 b 03457032803	Paste the same answer was used in module 1.2
Activity 4.5 f 03457032803	Paste the same answer was used in module 1.2
Activity 4.6 A 03457032803	End of module assessment 03457032803
Question	Answers
1 which of the following best	B gathering creative 03457032803
2 if a teacher is a facing a problem	C brain storming 03457032803
3 a teacher needs to solve	C brain storming03457032803
4 a teacher notices that	C tail and error 03457032803
5 a student is confused s	C working backward 03457032803
6 a teacher is planning a class	C divide and conquer03457032803
Activity 4.6 B	Paste the same answer was used in module 1.2
Module No 5 03457032803	
Activity 5.2 03457032803	Assessment activity 03457032803
Questions 03457032803	Answers 03457032803
1) What what was the purpose	C to encourage students 03457032803
2) How did mis amina	B by challenging... 03457032803
3) What was the main lesson	C using creativity 03457032803
4) What key skill were students	A leadership and team work 03457032803
5) What advice did mrs khan ..	B to encourage group 03457032803
Activity 5.3	Answers 03457032803
03457032803	Identify , brainstorm, develop test
03457032803	Create. Ask open, encourage , provide meaningful
03457032803	Define , gather , generate , choose
03457032803	Recognize , explore , test , implement
03457032803	Skill can be , applies , , field of , thinking
Activity 5.4 03457032803	Paste the same answer was used in module 1.2
Activity 5.5 03457032803	End of module assessment
Questions 03457032803	Answers 03457032803
Scenario 1 03457032803	B it encourages 03457032803

Scenario 2 03457032803	A the activity encourages s
Scenario 3 03457032803	D it encourages 03457032803
4 which of the following best ... 03457032803	B the ability to think 03457032803
5 which of these is an 03457032803	B a lesson where 03457032803
6 what is the primary purpose 03457032803	C to encourage students 03457032803
7 how does project based 03457032803	A by encouraging 03457032803
8 inquiry based learning encourages	B ask question conduct 03457032803
9 which of the following is an example	C allowing students to collaborate
10 for applying various 03457032803	A using a variety of 03457032803
Moduel 603457032803	
Activity 6.2 self assessment 03457032803	Give any answer 03457032803
Activity 6.3 03457032803	Paste the same answer was used in module 1.2
Activity 6.6 03457032803	Final module evaluation 03457032803
1. Which of the following 03457032803	b. analyzing and 03457032803
2. When evaluating the 03457032803	C sources relevance03457032803
3. Which of the following best..	A solving and equation 03457032803
4. What is an example 03457032803	B generating multiple 03457032803
5. What would be an 03457032803	B analyzing the problem as a team
6. If a students project 03457032803	B based on 03457032803
7. Analytical thinking 03457032803	B breaking down 03457032803
8. What is the first step 03457032803	B defining and 03457032803
9. Which of the following is	B weighing the pros 03457032803
10 analytical thinking in 03457032803	B breaking problems into smaller s
Activity 6.a 0345-7032803	Answers
Scenario 1 0345-7032803	Solution c gently 03457032803
Scenario 20345-7032803	Solution D ask the student 03457032803
Activity 6.6 B 03457032803	Answers 03457032803
03457032803	Creating , feasibility , short , term ,
Activity 6.6 C final module evaluation	Answers 03457032803
1. Analytical thinking	False 0345-7032803
2 0345-7032803	False 0345-7032803
3 0345-7032803	True 0345-7032803
4 0345-7032803	False 0345-7032803
5 0345-7032803	true0345-7032803
6 0345-7032803	True 0345-7032803
